Announcement in relation to the Registered Trade Mark on Suggestopedia

Intellectual Property Infringement according to art.11, line 1, p.6 and p.7 and art.26, line.3, p.5 from the Law on Marks and Geographical Indications

There are many places in the world where a lot of imitators have appeared, who use my name without having any right to that .

Unfortunately, in Bulgaria too a person not qualified and trained by me has infringed the Law on Marks and Geographical Indications art.11, line 1, p.6 and p.7 and art.26, line.3, p.5 by registering a trademark on Suggestopedia and my name :

“LOZANOV

centre for suggestology, desuggestology, suggestopedia and desuggestopedia”

Registered Trade Mark on Suggestopedia

Reg. Nº 56 175 application date /priority/ 14.06.2006 .Nº 87 775.

Steps have been taken for abolishing the mark and we hope the result will be successful in the near future

.

Please require a signed and sealed certificate from any person claiming to hold original suggestopedic courses
